MEMORANDUM FOR : Director of Central Intelligence

SUBJECT : New Soviet English-Language  
Magazine Sputnik

1. This memorandum is for information only to invite your attention to the attached copy of a new Soviet magazine in English called Sputnik. It is presumably a collection of reprints of articles from various Soviet sources, much in the manner of the Reader's Digest.

2. It is believed that this is a trial issue as it is unnumbered, with regular publication scheduled for 1967.

3. Attention is invited to the article on Colonel Abel on page 177 and on Operation 'Long Jump' on page 88. There have been quite a few references in various recent Soviet publications to Operation 'Long Jump' which relates to the German plot against President Roosevelt at the Tehran Conference of 1943.

4. As this is my only copy, I would appreciate having it returned to me so that I may call it to the attention of CA Staff.
